

How to run file SystemInfo.exe

Please follow the steps below:

1. Double-click on the file SystemInfo.exe
2. A warning message will flash on the screen. Click on “More Info” followed by “Run Anyway”.

3. Fill in the info as requested.

The image shows a registration form with a blue background and white text. At the top left is the '3SIX1°' logo. Below it, the text reads: 'Thank you. Please key in the following information:'. There are four input fields: 'Name', '10-digit phone number', 'Email Address', and 'Organisation Name'. A 'Submit' button is located at the bottom right of the form.

4. The program will fetch the system info in the background. Close the window when completed.
